AAA RADIOTAXI  
from: AIRPORT  
to: NOVAKOVCYCH 970/41

At the AIRPORT take the TAXI and get directly to address Novakovych 970/41. There is an official TAXI for transportation from the airport called „AAA RADIOTAXI“. They can be identified by yellow car and labels AAA on the doors. You can check the price on the website <http://www.aataxi.cz/en/>, enter from „Vaclav Havel Airport“ to „Novakovych“, it should cost about 500 CZK, but we think it costs about 700 CZK. Using a taxi is the fastest, least stressful, most convenient, but really expensive options. It will take about 30 – 40 minutes, it depends on traffic jam. Sometimes you can receive from the driver a coupon for a discount on a return trip to the airport.

At PALMOVKA station, use the exit at the first wagon of your train and in the hall use the right exit to the street called NA ZERTVACH, around a newsstand with yellow glass globe. On the ground floor, you will see the pub „U Jagusky“ with outdoor seating (in the summer). Our apartment is situated in the green corner newly decorated house, just four minutes walk from PALMOVKA. Follow the blue line on the map.
